

FENCES AND HEDGES

8. No fence, wall or solid hedge may be erected, grown or maintained in front of or along the front building line of any Lot, nor shall any fence or wall be erected on or between the side lines of any Lot be more than 4 feet in height or extended forward and beyond the front building line. No solid fence may be erected anywhere else in said Subdivision. No wire fences shall be permitted on any of the lots in the Subdivision. Permitted fences shall be of wood construction, such as split rail, picket, stake and rider or pole and rail type.
